

This a test flyer:

The ride will be __ miles long We will start lining up the bike at ____ Please be ready to park your bike in the order in which we will ride. The rider's meeting will start at __ and is required for all riders. Riding style:

- We will ride in the standard staggered formations. Trikes will ride single file.
- The ride will be escorted to riders are advised not to make individual stops to traffic lights and stop signs. There will be a designated leader (ride captain) and last of the pack (tail gunner). We will also designate riders for trouble shooting and traffic control. If you are not one of these designated riders (no mater your experience) please stay in the same order you started the ride in
- There will be a refreshment stop – please be sure to stay in you stating order at that time as well. Parking assistants will help with that.
- When we reach the final destination, you will be allowed to park where you like.

The ride will start at ____ AM and end at ____ PM. The rider's meeting will be at re will be food and
